MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: Indexing of Foreign Language Publications

1. The attached paper analyzes what is being done in subject cataloging and indexing of foreign language publications. A system is recommended for rounding out current efforts by instituting a new IAC catalog and accessions list for Soviet and Orbit publications that are classified. It is also recommended that OCD investigate and propose an appropriate way of acquiring adequate bibliographic control over Chinese publications.
2. This paper has been discussed at length with all interested CIA offices and now has their unanimous concurrence. It is forwarded to DD/I for information only.
3. By copy of this memorandum AD/CD and AD/O are requested to take necessary action in accordance with this paper.
